

Cherished Memories

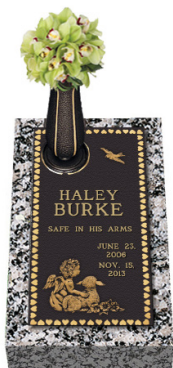

The bond between a parent and child is forever. For this reason, Hills of Rest Cemetery has designated a special section for the memorialization of children.

Added to the burden of loss is the cost of funeral and cemetery expenses which can be difficult for some families. This is why Hills of Rest Cemetery has chosen to donate an interment space and interment fee for children under the age of one. In addition, we are blessed to have so many caring groups, individuals and businesses in our community that also can offer help to families who have lost a child.

- At George Boom Funeral Home and Miller Funeral Home, their professional services are offered at no charge. They assist you in all phases of planning with simple and thorough information. Merchandise items are provided at cost.
- Homesteaders Life Insurance Company offers a free children/grandchildren insurance rider up to \$5,000 for adults who have pre-funded a funeral through their firm. This paperwork is available through either George Boom Funeral Home or Miller Funeral Home's preplanning entity, The Care Group, and must be filled out in advance.

- Hills of Rest Cemetery also has markers available for purchase. Our staff will help you design the marker to create a lasting memory of your child. We make the process simple with affordable payment plans to accommodate any budget. A temporary marker is available at no cost while your marker is on order.

- Hills of Rest Cemetery has partnered with Sanford Children's Hospital to provide services, support, and care that each family deserves. We take special care to ensure that we serve every family to the best of our ability.
