

*Hills of Rest Cemetery* has a beauty that is unmatched, and it is the only cemetery in the area with a natural waterway.

*Over 3,400 Veterans are interred at Hills of Rest.*

In grateful appreciation to every Military Veteran and Member of the National Guard, Hills of Rest Memorial Park is pleased to offer free use of an individual grave space for the one time cost of the Permanent Care of the grave. That cost is \$250.

To receive this special benefit, the veteran or guard member must provide a copy of his/her military discharge papers (or military ID) to substantiate his/her eligibility.

The grave location is unlimited and can be chosen anywhere in the cemetery where a grave is available.

This offer is available as a pre-planning incentive only, and is not intended for immediate need.

**In Honor of  
Those Who Served**
